

ChequeItOut Easter Competition

Build a Bank & Fund a Festive Business!

Welcome

Hello Money Champions!

This Easter, ChequeItOut is inviting you to become bank designers and smart decision-makers. You will create your own bank, learn how it keeps money safe, and decide which Easter business deserves a loan.

Get ready to draw, imagine, and think like a real banker — with Penny the Piggy Bank cheering you on!

What Is This Challenge About?

You will complete two fun activities:

Part 1: Design Your Own Easter Bank

Create a bank that helps people save money safely and support good ideas during Easter.

Part 2: Choose a Festive Business to Fund

Decide which Easter-themed business your bank would give a loan to and explain why.

You can draw, colour, build, or design digitally. There is no right or wrong design — just smart thinking!

Design your own bank

1. Bank Name

Give your bank a fun, festive name!

Examples:

- Penny's Easter Savings Bank
- Springtime Community Bank
- Bunny Bank & Savings Co.

Graphic idea: A big signboard or logo at the top of the page

2. Important Areas Inside the Bank

Draw and label at least three of these areas:

- Lobby – where people ask questions
- Vault – where money is kept safe
- Savings Desk – where money grows
- Loan Desk – where people ask for loans

3. Safety Features

Show 2–3 ways your bank stays safe:

- Locks
- Security guards
- Cameras
- Alarms

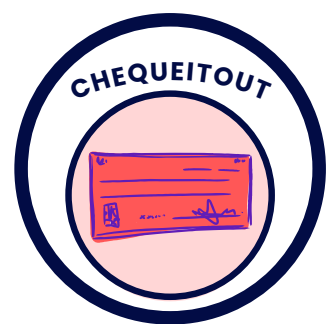

Graphic idea: Shield icons, locks, or stars around the vault

4. Who Is Your Bank For?

Show who uses your bank:

- Families
- Children
- Small businesses
- Community members

Graphic idea: Small stick people or families entering the bank

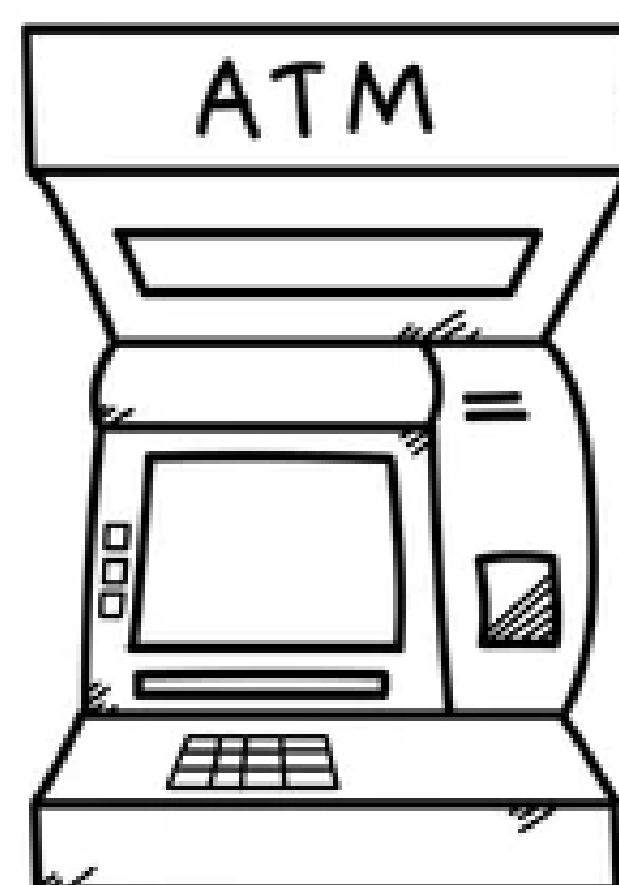

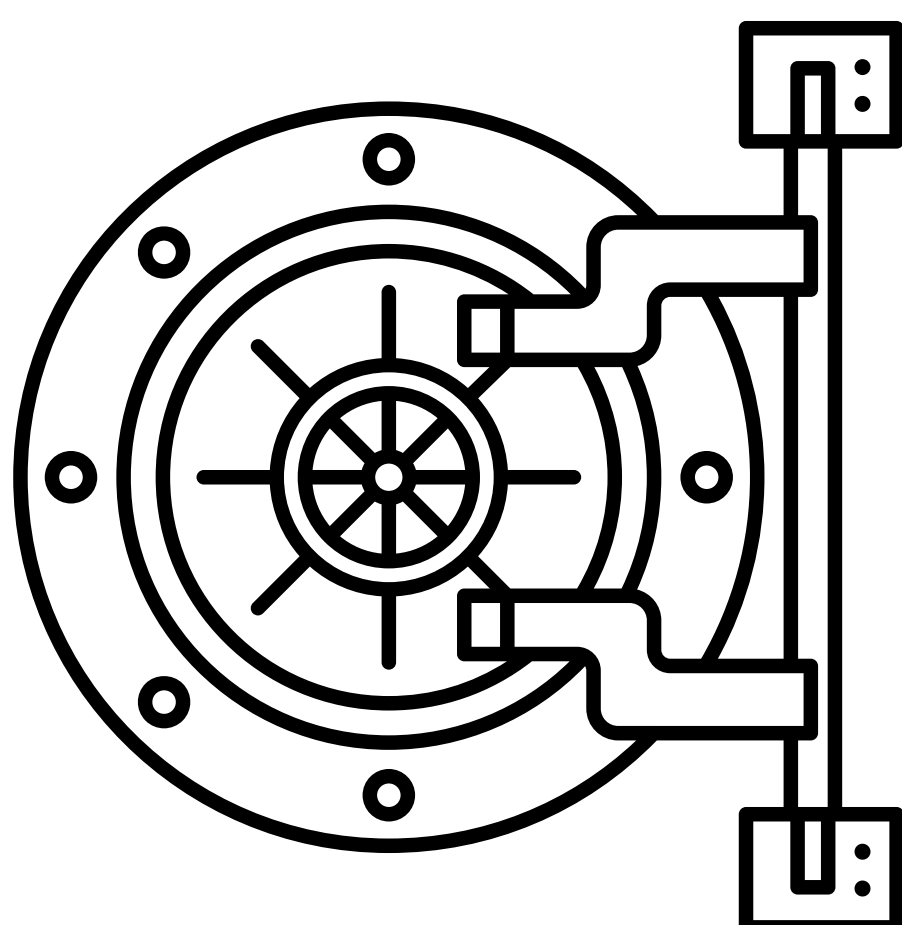

Design Your Own Bank

Festive Loan Challenge

If your bank could support ONE Easter business, which one would it choose?

1. Lila from Magic Treats

"Hi! I'm Lila, and I love baking. I started Spring Treats, an Easter baking business that sells cupcakes, cookies, and chocolate eggs for families celebrating together. During Easter, people love sweet treats! If you give my business a loan, I'll buy ingredients and spread joy with every bite."

2. Diego from Toy Fix-It

"Hey! I'm Diego, and I like fixing things. I started Toy Fix-It, a repair business that fixes broken toys so children can enjoy them again this Easter. Not every family can buy new toys, but every child deserves fun. With a loan, I'll buy tools and bring toys back to life!"

3. Ava from Easter Fashion

"Hi! I'm Ava, and I love clothes. I started Easter Fashion, a shop selling spring outfits, dresses, and accessories for Easter celebrations and family gatherings. People love dressing up! A loan would help me buy materials and create more designs."

4. Noah from Holiday Story Books

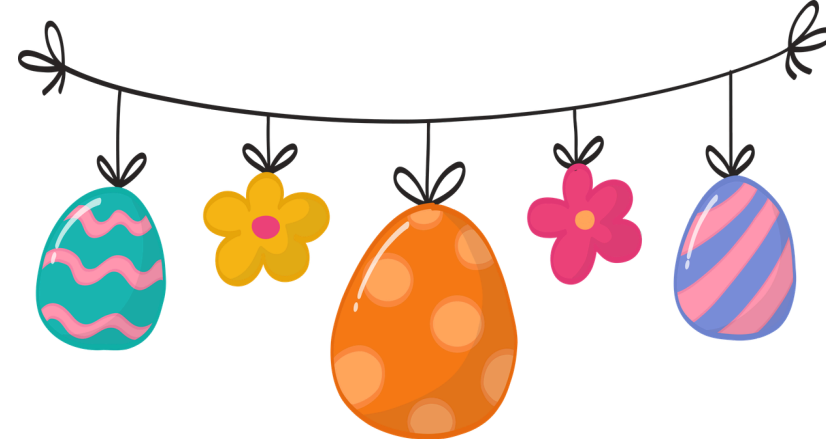

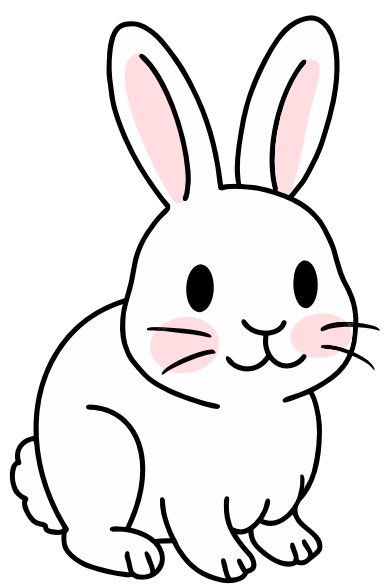

"Hey! I'm Noah, and I love reading. I run Easter Story Books, a shop selling fun Easter stories and learning books for kids. Books make great gifts and last a long time. If I get a loan, I can buy or print more books for families."

Think Like a Bank!

Before giving the loan, ask yourself:

- Why is this a good Christmas business?
- How will the business earn money to pay the bank back?
- Who will buy it?
